Dear Group;

The Arizona ERA Coalition needs your name to impact our Legislators with the wide spread support of Arizona citizens. We agree with these goals of the national ERA support group: [www.4ERA.org](http://www.4ERA.org).

**Our Goals:**

**To educate the American public regarding the need for an amendment guaranteeing equality of rights to men and women.**

**To dispel the myths surrounding the Equal Rights Amendment.**

**To keep our campaign single-issue, non-partisan and distinct from other issues which might detract from our mission or discredit our cause.**

**To promote the ERA as a positive progression of a true democracy and as an enhancement to American society.**

**To conduct our campaign in a way which encourages coalition and the support of the majority of Americans.**

If you agree with these goals, you belong on the list. No dues are involved, but you may be asked to contribute activism and small funds if necessary for mailings or trainings. We are planning a strategy session and perhaps training in the summer of 2007.

A state organization should get board approval to join. Local chapters of a state organization are also encouraged to list their name. This list cannot be too long even if some do not contribute in any way to the project.

Please send the official name of your group, organization or business and the name and contact information of your contact person. Please include e-mail, phone number, and address. Only your organization name would be printed on the list. We need a written response of your approval to be listed by email or mailed letter.

Only three more states are needed to put the Equal Rights Amendment in the Constitution. Let's make national headlines for Arizona.

Yours truly,

Carolyn Maxon, State AAUW ERA Task Force Chair, [cjmaxon@cox.net](mailto:cjmaxon@cox.net) , 480-483-8267
